Charity Road Trial - Road Competitor Results

TSR23A Ties.

Main table with columns: No., First Name, Surname, Class, Route, Club, and 34 numbered columns (1-34) representing different stages or locations, plus a Total column. Rows list individual competitors and their results.

TSR23A Ties table with columns: 0's, 1's, 2's, 3's, 5's. This table shows the number of competitors who achieved a specific number of ties.

The Club Extends its thanks to All the Landowners that allowed us to ride on their property, and in particular Mr Parkins for the use of Labden woods and for allowing Us all to Park on his land at short notice.

My personal thanks to all for an enjoyable day, and especially for all the fantastic observers who as always ensured a days enjoyment for all. Hope to see you all again soon.
